DESIGNED TO PROVIDE YOU WITH THE ENERGY
AND INTELLIGENT DRIVING ASSISTANCE THAT KEEPS YOU RUNNING AT FULL POWER IN CONFIDENCE

BREAK BOUNDARIES WITH ENERGY

EXPRESS YOUR ATTITUDE

UNLEASH YOUR ENERGY

- ❖ Brand-new front head inspired from the burst of energy
- ❖ Energy Pulse three-segment daytime running lights
- ❖ Powerful air intake grille (The energy spreads widely from the center, manifesting the speed and passion as well as the sense of tension and impact)
- ❖ 18-inch tomahawk-style wheel
- ❖ Wild bilateral double exhaust (The bilateral double exhaust brings not only the sporty appearance but also the sense of passion)
